Logo and Icon Form Variations

Easy As Loans has 2 different logos in the logo suite - Original and Reversed.

It is up to the discretion of the user/designer to select which is most appropriate for the relevant application.

Logo Clear Space & Minimum Size

Clear Space refers to the area around the logo that should remain clear of graphic clutter.

The clear space above and below the logo is collectively 28% of the overall logo height. While the clear space to the left and the right of the logo is collectively 25% of the overall logo width.

The recommended minimum size for the logos is 15mm in width. For visibility and readability, the logo should not be smaller than this recommended size.

Colour Palette

CMYK is specified for most printed applications. Our primary colours use the entire four colour set.

RGB is specified for screen based applications.

Pantone (PMS) colour breakdown is specified as it may be applicable for some applications.

As there are numerous gradient colours supplied in the icon the two blue text colours should be used throughout branding materials.

Purple

C = 80, M = 98, Y = 5, K = 27

R = 72, G = 32, B = 110

PMS 2685 C

Grey

C = 0, M = 0, Y = 0, K = 80

R = 88, G = 89, B = 91

PMS Black C (80%)

Typography

Typography plays an important role in ensuring that there is a strong sense of continuity throughout the Easy As Loans brand.

To maintain a consistent look and feel for all designed applications the Museo Sans Family should be used

Museo Sans is a free font and can be downloaded from <http://www.fontsquirrel.com/fonts/museo-sans> as an alternative we suggest using Arial.

Museo Sans 500

ABCDEFGHI	abcdefghi
JKLMNOPQR	JKLMNOPQR
STUVWXYZ	stuvwxyz

Museo Italic 900

<i>ABCDEFGHI</i>	<i>abcdefghi</i>
<i>JKLMNOPQR</i>	<i>JKLMNOPQR</i>
<i>STUVWXYZ</i>	<i>stuvwxyz</i>
